

"Dylan Son of Waves" Lyrics

[Verse]

In the ocean of life, he rides the waves

With every step, he dares to be brave

A shining light, a soul that never caves

[Chorus]

Dylan Son of Waves, oh-oh-oh

Riding high, he's ready to go (ready to go)

Dylan Son of Waves, oh-oh-oh

With every tide, he's sure to glow (sure to glow)
