

“Heaven On Earth” Lyrics

Music by Dylan Tauber, vocals and lyrics by Mona Roselianne.

(00:07)

Verse 1

come run away with me
lost in the light,
lead me to anywhere
just you and me

Pre-chorus

we'll be alright, don't turn away
'cause baby, you are all I need
we'll share memories, shout it out loud
'cause baby, I'd do anything for you

Chorus

I keep on I keep on falling for you
have I told you, you're my heaven on earth
I leave all I leave all my belongings
I have nothing that I want more

I keep on I keep on falling for you
have I told you, you're my heaven on earth
I leave all I leave all my belongings
I have nothing that I want more

(break 01:07-01:22)

Pre-chorus

we'll be alright, don't turn away
'cause baby, you are all I need
we'll share memories, shout it out loud

I keep on I keep on falling for you
have I told you, you're my heaven on earth
I leave all I leave all my belongings

I leave all I leave all my belongings
I have nothing that I want more

close your eyes and feel my love
hear my words, I'll never leave you
ease your mind and feel my heart beat
this world is built for us

Chorus

I keep on I keep on falling for you
have I told you, you're my heaven on earth
I leave all I leave all my belongings
I have nothing that I want more

I keep on I keep on falling for you
have I told you, you're my heaven on earth
I leave all I leave all my belongings
I have nothing that I want more
