

“I’m Your Angel” by Dylan Tauber, from “The Lagoon”

Lyrics and Vocals by Anastasia Derkach in Ukraine, during the war, July 6, 2022

Verse 1

I spent all night just to see your sight
It has stuck on my mind
Hold on just a while I can see your smile, It makes me so fun

Bridge

You don't know how it happened and scent of my skin's on your head
Hold me tight, please don't break it, and we'll see the golden sunset

Chorus

I'm your angel
I'm your angel

Verse 2

Calling me mad, cause I'm so obsessed
You're treating me right
Named you as a night, and as daylight
Babe you're my world

Bridge

You don't know how it happened and scent of my skin's on your head
Hold me tight, please don't break it, and we'll see the golden sunset

Chorus

I'm your angel
I'm your angel
