

“Immortal” by Dylan Tauber, vocals and lyrics by Anastasia Derkach.

Have gone through all regrets now I'm back on track, and don't wanna loose
I can feel my soul I've been borm one more time , getting off abuse

Freedom on my skin, and it's part is my destiny
Lost count of mistakes and I go ahead
Freedom on my skin, my home can be everywhere
Lost count of mistakes and I go ahead

I'm immortal, immortal

Conquered mountains and hills , feel the power is living on my bones
Taking it just a sip, i know universe is waiting for my words
Cause I'm immortal , I'm immortal

Freedom on my skin, and it's part is my destiny
Lost count of mistakes and I go ahead
Freedom on my skin, my home can be everywhere
Lost count of mistakes and I go ahead

I'm immortal, immortal
