

"The Lagoon" by Dylan Tauber, from his album "The Lagoon"

Blue lagoon's making you drunk
Hold your breath, drown in the waves
Magic kingdom full of luck
Catch the breeze, feel touch of heaven
Touch of heaven, ta-ta touch of heaven

Palms, white sands and ocean, I can't describe
fullness my emotions, Only want
Palms ,white sands and ocean ,picturing
marina in motion

Lagoon, lagoon, lagoon
Lagoon, lagoon, lagoon
Lagoon, lagoon, lagoon

Swim with dolphins in the depth
This feels like fairytale
Lagoon kisses golden sands
Loosing mind in magic land
Touch of heaven, ta-ta touch of heaven

Palms, white sands and ocean, I can't describe
fullness my emotions, Only want
Palms ,white sands and ocean ,picturing
marina in motion

Lagoon, lagoon, lagoon
Lagoon, lagoon, lagoon
Lagoon, lagoon, lagoon
